Question 1: We are preparing our Past Performance Questionnaire (PPQ) information to send to our client references and noticed that the zip code for returning PPQs [**45208**] is different than the one provided to submit proposals [**45202**]. Please confirm that 45202 is the correct zip code.

Answer: The zip code for returning the Past Performance Letters and Questionnaires (PPQ) is incorrect on Attachment L-4. The correct zip code is 45202. Offerors should immediately notify any client references that have already been provided the PPQs of the correct zipcode. The solicitation will be amended.
